Action Taken Report (2018-19)

The outcome of the feedback based on analysis of the feedback obtained from various stakeholders and the action taken thereof is presented in the table below:

S.No.	Feedback/Suggestion	Action Taken (2019-20)
Feedback from Students		
1.	Provide guidance/training for preparation for various competitive exams and other career opportunities	Workshops/lectures were organised by various departments and the career guidance cell of the college to guide the students for competitive exams and career opportunities.
2.	Provide exposure in the form of lab visits and field visits.	Hands on training programmes, workshops were organised for giving practical exposure to students. Visits to institutes of national importance and to industries were organised by the departments. Extension activities like water testing, milk testing and soil testing camps were organised by some departments in nearby villages to provide field exposure to students.
3.	Provide more hands-on experience and practical training in science subjects.	Seven science departments of the college received grant under Star college scheme' of DBT, Govt. of India under which funds were utilised for upgradation of science labs. Hands on training programmes were organised by several science departments. Research projects have been introduced at UG and PG level in curriculum to help students develop their analytical skills.
4.	Purchase more reference books for the library	New books as per the demand of the students were purchased for the college library
Feedback from Faculty		
1.	Provide training to integrate modern concepts and make effective use of online resources in	Faculty development programme on design and development of MOOCs was organised to help use and develop e-content in teaching learning
